

2.6 Job Posting for R&I Support Staff at PACT.

 **Parque do Alentejo de Ciência e Tecnologia (PACT) :**

Herdade da Barba Rala, R. Luís Adelino Fonseca 1A, 7005-345 Évora, Portugal

Eligible sending organisations •

AUTH, JSI

Role title •

Project Manager – Regional Innovation & Research

Environment •

PACT will offer the secondee a **dynamic, collaborative environment** where they actively engage in **technology transfer, innovation management, and stakeholder collaboration**—developing **practical skills, expanding professional networks, and gaining real-world experience**.

You can watch a short video of PACT's facilities and working environment [here](#).

What you will work on •

- **Support the monitoring and implementation of the Research and Innovation Smart Specialization Strategy (RIS3)**, working closely with experienced professionals.
- **Assist in coordinating the Regional System of Technology Transfer (SRTT)**, gaining practical insight into innovation processes.
- **Support the development of sectoral networks, science and technology parks, and incubator networks** by collaborating with stakeholders to maximize impact.

What you will gain •

- **Hands-on experience with processes that strengthen regional technology transfer systems**, learning how to support innovation initiatives.
- **Skills in identifying critical success factors** for developing and managing thematic regional networks.

- **Practical knowledge in monitoring regional innovation and smart specialization strategies,** with support from experienced professionals.

Desired profile •

- **Basic knowledge of regional development, innovation, technology transfer, and entrepreneurship.**
- **Openness to learning about regional smart specialization strategies,** including their monitoring, evaluation, and related data analysis.
- **Motivation to collaborate across sectors and with diverse stakeholders** to support regional development and value creation.

Duration & Flexibility •

1,5 months between May and October 2026

Split into **up to 4 shorter stays** (short modular visits within the 1 to 2-month total), subject to agreement.
